

EPOS WP 7 - Dissemination

Lead: CimArk SA

EPOS User Club

D 7.6

CimArk SA (CimArk)

March 2018

Summary

This deliverable (D7.6) is the written documentation behind the creation of the EPOS User Club, representing the ninth milestone in the EPOS project. This report discusses the major aspects of the EPOS User Club and how these will help not only users of the EPOS toolbox, but all those simply interested in fostering communication regarding industrial symbiosis. This deliverable confirms that the EPOS User Club is functioning and is now available for use.
